Imagine if your banker was someone you could throw a baseball around with. That would be Max Karrh.

Now don't get us wrong. Banking is a serious profession. One must always be the consummate professional.

But, at Bryant Bank we treat you like family.

And that can mean stepping out in the parking lot at the end of the day and tossing a baseball around while you talk about your financial future.

That's what Max Karrh did, just last month, with a customer.

Turns out the customer is a star pitcher in a local league. He's got a fastball. A sweeping curve. And a gravity-warping sinker.

And now he's got a banker in the family.
